Language for Life Newsletter

Issue 10

Spring has sprung - this is an **idiom** and means that, all of a sudden, it has stopped snowing, the days are longer and warmer, the grass is greener, the trees are starting to blossom, and everything seems to have new life.
It is a time of renewed hope after a bleak, cold winter.

What's new at LFL this spring?

It has been a long winter but that did not stop us from persevering in improving everyone's English. (**phrasal verb: to persevere in something - to continue trying to improve at or succeed in doing something.**)

Now, that spring is here - the season of new beginnings - we are really excited about starting a new season of English classes at Language for Life!

BEGINNER ESL CLASS - Free language assessment prior to class start

We are starting a brand new beginner class April 13th.

10 week course - 40 hours in the classroom

Tuesday and Thursday evenings from 7pm - 9pm

April 13th - June 17th

Cost: \$250

Please, help us out!!

(phrasal verb: to help out - to do something so another person's job or task is easier)

We continue to be very grateful to all of you for choosing to learn English with us but also for referring so many of your family and friends to us!

Most of our students come to us by **word-of-mouth** recommendations.
(Idiom: word-of-mouth - if news or information passes by word of mouth, people tell it to each other rather than it being officially advertised)

It is always the greatest complement when you tell your friends about us and recommend our services.

PLEASE DON'T STOP!

We still need your help in **getting the word out** about Language for Life.
(Idiom: to get the word out - if you get the word out, you inform or let people or the public know about something)

In order to keep offering our services at affordable prices to all of you, we try to keep our operational costs at a minimum!

We don't want to spend money on advertising if we don't have to.

There are still spaces available in our **beginner ESL class** and we know that there are many in Kelowna that still don't know about us and could really benefit from this class.

If you could **pass on** this information to anyone you think might be interested in registering, we'd be truly grateful!
(phrasal verb: to pass on - to inform others about information you have)

And then some...

(Idiom: and then some - it means and a lot more than that.)

Mini classes - **Private lessons** - Exam preparation for CELPIP and IELTS **and more...**

COVID-19 safety protocols

Since COVID-19 is still **a thing**, we always offer all of our services in an environment that adheres to COVID-19 safety guidelines!

(**Idiom: to be a thing - something that is generally known or recognized and is ongoing**)

FUN FACT!

Did you know??

Easter Sunday and Monday are **NOT** statutory holidays in British Columbia.

In British Columbia, they are called *optional statutory holidays*. This means that employers do not have to provide holiday time off or pay but can do so as an additional benefit if they choose to.

Easter Sunday - April 4th, 2021

*We, at Language for Life, wish
you all a very Happy Easter!!
See you soon!!*
