Welcome to SEPTEMBER - the month of new beginnings! 😊

---

It's always sad to say good-bye to summertime with its **dog days** and Okanagan **scorchers**.

This year however, we hope for a long **Indian summer** !

In North America, September represents the end of summer and the coming of the fall season.

In September, we refocus our energies and look forward to a new school year.

Here at Language for Life we are doing just that; planning for an exciting new season of English learning and making new connections with some amazing people.

We can't wait to **kick off** our fall programs.
