## **HAPPY SUMMER EVERYONE!**

Summer has officially arrived but things are not slowing down at Language for Life! Our language programs are in full swing; small mini classes have been filling up and our one-on-one lessons continue to keep us busy in the classroom and online. It's been fun meeting new students as well as welcoming back returning students!

## **JULY 1 - CANADA DAY**

---

It is Canada's birthday and sadly, all celebrations in Kelowna have been cancelled for this year. Despite this, we are proud to live in Canada, a country that was built by immigrants and continues to grow and thrive thanks to so many of you who have chosen to call this great country home. You contribute to the beauty of our cultural mosaic. Our nation becomes stronger because of newcomers, who bring their cultural diversity with them for all Canadians to learn from. THANK-YOU!

## LOOKING AHEAD TO SEPTEMBER: some good and bad news!

---

**The bad news:** We will not be able to resume our evening classes at KCR in September due to Covid-19 and physical distancing rules 😞

**The good news:** We will resume our evening classes at the Kanata instead.

We have secured enough space there for proper physical distancing of larger classes until we can go back to KCR. 😊

Registration is now open for anyone that would like to join a beginner or intermediate ESL class KCR style .

**Contact us and reserve your spot for September before classes are full!!**
