Another successful term has ended at Language for Life.  
Our mini classes finished Friday, May 20th and as always, it is sad to see everyone go.  
However, when one set of classes ends, we get busy planning for the next ones.

**June classes are almost full!**

If you would like information on summer learning opportunities, contact us as soon as possible!!

We continue to assist people in their **CELP**IP or **IELTS** exams preparation.  
Get in touch with us if you have any questions about these exams or would like help getting ready for either of these english tests.

**LFL is now offering: IELTS™ and CELPIP® mock exams!**

**Don't waste your money taking these exams multiple times - find out your scores with us!**

---

Are you curious what your score would be on these challenging exams?  
Taking either of these exams is *gruelling* (**meaning: extremely demanding and tiring**) not to mention expensive!!  
We know that a lot of students take the CELPIP and IELTS test over and over again hoping they will get the marks they need eventually. We would like to help you not having to do that and spend so much money on these exams!  
Therefore, we are now offering **practice mock (meaning: not real) exam** sittings in our classroom to create a true exam experience for you.

You will receive a full breakdown of your score in each skill section and a personal analysis of the writing and speaking sections based on the specific exam marking criteria.  
Both of these exams are over 3 hours in length, so classroom time is limited.

Please contact us if you are interested in setting up a mock exam.

**Cost - \$120 per student**

## Making friends while studying English 😊

---

Getting to know so many amazing people from around the world continues to be a great honour and privilege we don't take for granted. (**Idiom: notice and appreciate**)

It is always amazing to see how our students become friends and support each other in their learning.

**Mini classes continue to be very popular!**  
**We worked hard and became friends in the process. 🥰**

## A bitter sweet good-bye (Idiom: happy and sad at the same time)

We had to say good-bye to a very special student and dear friend - **Ana!**

We wish you all the best on your new adventure in Ontario!!

It has been a great honour to get to know you and we can all say that you are beautiful inside and out!!

Your gentle and kind nature was always very appreciated in the classroom!

Ana - you will be dearly missed here at Language for Life!!!

**Good-bye Ana - Stay in touch!!**
