WELCOME TO OUR VERY FIRST NEWSLETTER

Our First Year

It has been an incredible first year for Language for Life thanks to all our amazing students!! Without all of you we would not be celebrating and we are so thankful that you have put your trust and confidence in us when it comes to your English learning needs. You have become very dear to us and we look forward to many more exciting times together!

We studied, celebrated birthdays, had farewell parties and potlucks but most of all, we built lasting friendships!

Our Second Year

Our second year at Language for Life began strong until we were hit with the sad news that we had to put all our in-person language instruction on hold during the Covid-19 crisis.

It has been a very challenging time for the entire world and we are living in exceptional times... Worried that many of you would not be able to resume your learning, we decided to take all of our English instruction online.

We have successfully launched Language for Life Online with Zoom and we are happy to report that it has been a smooth transition.

We can't wait to welcome you back into our classrooms at the Kanata and KCR community resources.

Until that time comes, we hope that you will join us online for some continued English learning.

Here are some updated options for you to choose from online:

One-To-One Lessons	Small Group Lessons	Large Group Lessons
90 minutes/\$50.00	60 minutes - twice	90 minutes - twice
60 minutes/\$40.00	a week for 10 weeks	a week for 10 weeks
	\$300 (2-4 students)	\$180 (6-7 students)

CELPPI exam preparation is available as one-to-one instruction upon request.

We would love to see you online!!

If you are a new student, we will set up a free language assessment and meet with you online, to help you with your specific language goals.
