Language for Life Newsletter

Issue 2

THANK YOU!!

What an incredible month it has been!!

We successfully conquered the online teaching learning curve - well almost 😊 and have been incredibly thankful for all of you who joined us. We will be forever grateful for your patience, flexibility, sense of humour and bravery! It's not easy to transition to a computer screen when we love to see each other face to face but we did it and will continue to offer online learning options for those of you who want it, need it or simply enjoy it.

Tara, Gioia and Jenny welcome you back to the classroom!

DO YOU KNOW THESE IDIOMS?

IF YOU DON'T, YOU WILL FIND THE DEFINITIONS IN OUR JULY NEWSLETTER 😊

Everyone, **lend me an ear!** We are **on cloud nine** at LFL because we are back in the classroom in June, so don't **throw in the towel** on your English lessons! It is time to **dive into** your studies, and it costs **next to nothing!**
Ok, time to call it a day and hit the hay.

Yes! You guessed it right. Our Language for Life team is happy to announce that as of June 1, we will be back in the classroom at our Kanata office. Yes, things won't be quite the same - but almost. We are going to resume our one on one lessons as well as our small tutor classes (maximum 3 students so we can maintain physical distancing). Classes are filling up fast so contact us if you are interested in resuming or starting your English learning.

"She is the most enthusiastic teacher I've ever had."

Language for Life in September

We are already busy planning for September! We are hoping to resume larger evening classes, depending on government COVID-19 regulations, and will keep you all updated on our website and monthly newsletters. If you are looking ahead to September for possible English lessons, then please contact us for more detailed information and early registration.

If you are a new student, we will set up a free language assessment and meet with you online, to help you with your specific language goals.

Please call us or email languageforlifecslservices@shaw.ca with any questions!
